

Dear NCBFAA Members,

The NCBFAA legislative committee would like to ask that each of you send a letter or email to your local congressman/woman regarding the Bankruptcy Bill. We are asking for support of the Bankruptcy Bill (The Customs Business Fairness Act- HR 2261). The bill focuses on custom brokers and sureties seeking change in the bankruptcy laws to provide relief for brokers who have paid duties to CBP on behalf of importers that have subsequently filed for bankruptcy.

A template letter of what to send to your congressman/woman is attached for your reference. Please refer to the link below to find your congressman/woman by district.

<https://www.house.gov/representatives/find-your-representative>

It is important that we get as many letters to congress as possible to let them know we need their support of this bill.

If you have any questions, please contact NCBFAA.

Kind Regards,

NCBFAA Legislative Committee
